

Corporate Social Responsibility Expenses

Miteri Bank's approach to corporate social responsibility (CSR) focuses on the three dimensions of sustainability to create economic, environmental and social value. CSR policy aims to set the Direction for a future-orientated business strategy that balances economic success with environmental and social responsibility. Our priorities under CSR are: supporting to the less fortunate and underprivileged people of the society specially for education to make sustainable social change in their lives, promote sports and culture , preserve and develop heritage sites, help to upgrade health facilities, natural environment protection program, help the people to overcome effect of natural calamities and disaster etc.
